

the entire world with nuclear bombs. Then shifted to biological agent that destroys the mind. Most recently serial murder via a cell phone stun gun & folding knife in national forests.

---

— And finally, the last escape, mass murder at the movies. <sup>1st</sup> Obsession onset > 10 years ago. So anyways, that's my mind. It is broken. I tried to fix it. I made it my sole conviction but using something that's broken to fix itself proved Neuroscience sound like the way to go but it didn't pan out. In order to rehabilitate the broken mind my soul must be eviscerated. I could not sacrifice my soul to have a "normal" mind. Despite my biological shortcomings I have fought and fought. Always defending against predetermination and the fallibility of man. There is one more battle to fight with life. To face death, embrace the longstanding hatred of mankind and overcome all fear in certain death.
