1:21 PM	me: hey
	you rickrolling the world?
1:22 PM	<u>dsherlockb@gmail.com</u> : did you click it :)
	me: nope:P
	it says below the link what it is:)
1:23 PM	dsherlockb@gmail.com: Still a good song heh
1:24 PM	me: you should incorporate his world famous pants wearing style:P
1:25 PM	dsherlockb@gmail.com: I am debating whether to sleep, skyrim or read.
	me: skyrim!
	:)
	slay those damn dragons
1:27 PM	dsherlockb@gmail.com: I would n all but it probably won't be very useful for the future
	me: how much is reading or sleeping going to help?
1:28 PM	dsherlockb@gmail.com: More than video games I suppose
	me: its something fun that you like to do, go ahead do it, fuck the future for once
	do what you feel like doing, its a sunday afternoon
1:29 PM	dsherlockb@gmail.com: Well what I feel like doing is evil so can't do that
	me: what do you feel like doing?
	dsherlockb@gmail.com: Video games are the next best thing through escapism
1:30 PM	me: what is so evil that you want to do?
1:31 PM	dsherlockb@gmail.com: Kill people of course
	That is why I live in the future
	me: killing people is too much effort, you'll end up locked up
1:32 PM	most people are not worth what might happen to you coz of the
	act
1:33 PM	dsherlockb@gmail.com: That's why you kill many people
	me: even then, at least personally im selfish and have too much of an idea of self-importance
	most people arent worth jack shit
	even if you go postal, whats it worth? what do you gain?
1:34 PM	dsherlockb@gmail.com: There's no way to do it and not get caught
	But
	The only way justice can be served is by taking away your time or life
	me: why do you care so much about justise?
1:35 PM	dsherlockb@gmail.com: If you wait to kill until the end of your life, than there is nothing to lose
1:36 PM	me: but why would you want to kill
•	as in why would you decide this is the end, and kill
	when you could live more, experience more things?
	why would those people be worth ending your life? <u>dsherlockb@gmail.com</u> : It's the end then though, no more experiences
	• • • • • • • • • • • • • • • • • • •
	me: why?

2:34 PM
